

STATEMENT ON WJAR AND SINCLAIR BROADCASTING

Providence's WJAR-TV (channel 10) has been purchased by media conglomerate Sinclair, which has a track record of promulgating conservative propaganda with the employees and correspondents of its media outlets, insisting that they put this propaganda on the air. The following article provides a brief history of this activity, quoting investigations by the New York Times and the Washington Post: https://www.salon.com/2017/07/21/a-short-history-of-the-right-wing-politics-of-sinclair-broadcasting_partner/. Additional articles can easily be found by Googling "Sinclair Broadcasting and Right-Wing Propaganda."

If you wish to express your concern about this happening at WJAR (it already is...), you can send an email to vveters@wjar.com.
